

Stichting Allegro Arts Network 2018 Annual Report

A board meeting was held over Skype on January 12, 2019 with Judy Mensch (in the US) and Jackee Raught (in the Netherlands). Activity and financial reports for 2017 were given for FireChoir and Kidzark.

FireChoir had a spring and a fall season with approximately 100 singers participating each season. Seven concerts were presented during the year. The highlight was our 10th Anniversary Celebration Concert at the Zaantheater in Zaandam with special guest soloist Dwight Dissels and almost 700 people in attendance (as reported by Jackee Raught). Total audience attendance for the seven concerts was estimated to be around 2500.

KIDZARK had a busy first 6 months of 2018. In February of 2018, we began a new KIDZARK program at New City Church in IJmuiden. I worked with them for 4 months until they were self-sufficient and now they continue doing the program effectively. In March 2018, KIDZARK participated in a large Children's Workers conference in Budapest Hungary. After a week of rehearsals, we debuted the play "Red" at the conference. It was very well received and has already been translated into 3 languages for use in western and eastern Europe. In July 2018, KIDZARK made its way to The United States. In July, we did shows in Maine and began training workers. From September until the end of the year, we trained Children's Workers and did several shows in the New England region (as reported by Judy Mensch).
